Somewhere between better and best.	I can't complain but still, I do.	I don't feel that great but my hair looks awesome, right?	At minding my own business? Better than most people.	No, how are you? Do you want to go out with me tonight?	Can't complain. Nobody listens to me anyway.
I think. I am doing alright / OK.	I am on a mission...	Doing well, unless you have an airborne disease that infects me with some pathogens.	Do you really care?	Everything is fine with you around.	In need of some peace and quiet.
All the better now that you asked.	Maybe one day, you will be lucky enough to find out.	I promised myself. I would kill the next person who asked me that question, but I like you so I will let you live.	Do you want an honest answer or the answer you were expecting?	It'd be better if you asked me out.	Remembering to stay patient.
I feel good / fantastic / marvelous / excellent / outstanding / great / wonderful / etc.	It's a secret.	WHY!? WHAT ARE THEY SAYING ABOUT ME?	I'm pretty sure. I am not obligated to tell you.	Do you want to know how my day was? Does this mean you...like me?	Living a life of denial and suppressed rage.

I am fine. The best I can be assuming, you're at your best too.	Sh... it's too early to tell.	Well, I haven't had my morning coffee yet and no one has gotten hurt, so I'd say "pretty good" at this point in time.	Not so well, does that bother you?	Right now, I'm on my way to paving a path to your heart.	Oh, terrible, but I'm used to it.
I'd say, I am a (insert a number here) out of 10.	Word on the street is that I'm really good.	My lawyer says I don't have to answer that question.	I was fine until you asked.	So-so, but talking to you makes me feel so good.	Slowly but surely dying.
Average. Not terrific, not terrible, just average.	I'll leave that up to your imagination.	Like a pit-bull in a butcher shop.	Horrible, now that I've met you.	I'd say I'll be fine, as long as you don't leave soon enough.	I would be lying if I said, "I'm fine."
Nothing much, everything is as usual.	I could really go for a massage. - After hard-work need massage.	Not so good, but I plan on lying at my press conference.		Your attempt at social interaction is hereby acknowledged.	Living the dream, but half the time it's a nightmare.
Good enough.	Dancing to the rhythm of life.	I'm busy, but do you want me to add you to my to-do list?		Thank god you finally noticed me! *wink wink*	Real terrible, thanks for asking.
So far, so good!	I hear good things, but you should never listen to rumors.	How much will you pay me if I tell you?		Awww... Did you miss me?	I'm completely prepared for the end of the world.

Thank you for asking. You just made my day.	As opposed to what?	Somewhere between blah and meh.	Not as tired as you running in my thought all day long.	Not so well
Not bad. Could be better. Could be payday.	Armed and ready!	Nice and dandy like cotton candy.	I've been thinking about you all day.	All right so far but there's still time for everything to go horribly wrong.
Happy and content, thank you.	Living a dream. Please don't wake me up.	Incredibly good-looking.	Ooooooh, I like the sound of that. Please repeat what you just asked me.	Different day, same existence.
I've been going through some crests and troughs in my life. Is everything stable at your end?	(...) At least there's plenty of room for improvement!	Okay, since my name wasn't in today's obituaries.	Come find out.	Overworked and underpaid.
Better than nothing.	Medium well / rare.	What's with all the questions? You a cop?	Let's skip the small talk and go straight to flirting!	The best thing that happened to me today so far is, you are asking me about my day.
I'm really doing well.	They told me you would ask me that.	I am as happy as a tick on a big, fat dog.	Busy checking tags. Can I see yours? Oh, it says made in heaven!	Surviving, I guess.

Way better than I deserve!	Could be better [then pause and say] could be worse.	Just hug me and leave it at that.	I'm still sucking the air.
I am blessed!	Not today, Satan!	I have so much to do, but I keep getting distracted thinking about you.	Dying.
I think I'm doing OK. How do you think I'm doing?	My psychiatrist told me not to discuss it with strangers.	That's for me to know and for you to find out.	Great, stellar, fantastic, but dead inside.
I'm pretty standard right now.	I'll let you know when I figure it all out.	You know, what would be better than you asking me that? Inviting me to go out with you on a date.	Navigating the twists and turns of life. I hope yours is a straight road.
I am just the same old.	I'm on top of the world.	If I said, I was head over heels for you. What do you say? (This is pretty risky to ask.)	Not as good as you.
I am better than I was.	Over the moon!	Well enough to chat with you if you wish to.	Real terrible, thanks for asking.

Very well, thanks	I'm hanging in there.	Living a dream, don't wake me up. You may join me. There's plenty of room.	Trying not to burst into tears. I get an "A" for effort, right?
Never better!	Compared to whom?	I've been watching Netflix but no one to chill with. Care to join me?	If I were any better, I'd be illegal.
Ah! you know, every day is better than the next.	I'm on cloud nine!	How am I?! in bed? (Wait, what?!)	I'm vertical and breathing.
Things could not be better!	Going great. Hope this status quo persists for rest of the day.	I'm lost for words. I mean, you just look so attractive it's distracting!	I can't complain! It's against (Company Policy).
Better than some, not as good as others.	I'm sure you have that information on your screen.	What an impertinent question to ask a girl or a guy!	
I'm better than I was but not nearly as good as I'm going to be.	Strange, and getting stranger.	I was daydreaming until you came and made it a reality.	
Getting better with every passing minute.	If I had a tail, I would wag it.	I've been searching for love, and now, I think I finally found it.

I'm not sure yet.	Thank you for asking, though you can judge for yourself.	Just emptiness without you.
	Physically? Mentally? Spiritually? Socioeconomically? Financially? I'm not sure how to answer that!?!	I'm on this mission to stop thinking about you. It's called: Mission impossible!
	Do you want the short or long version?	I'm so bored! Wanna go on an adventure?
	Rolling with the punches.	Irresistible as ever! Do you want to try cuddling me?
	I have a pulse, so I must be okay.	So-so, but talking to you makes me feel so good
	Sunshine all day long!	Lately, I couldn't sleep so well...thinking of you.
	Like you, but better.	To know me is to love me. Are you ready to get to know me?

Under renovation.	I feel so cold. Do you mind warming me up for a second?
I'm sober! (Congratulations!)	I am currently looking for the love of my life. Can you show me the way?
Imagining myself having a fabulous vacation.	If I were doing any better, I'd hire you to enjoy it with me.
Happy and you know it.	How am I?! Is that a pick-up line?
Next question, please.	
In order to answer the question, I need to take you back about ten years. Do you have a moment?	
Groovy!	
Hunting dragons, you?	
The doctor said I'd live.
